Summary

I am a highly motivated and ambitious computer engineering student with a passion for web development. With a strong foundation in HTML, CSS, and JavaScript, I also have experience working with Node.js, React.js, and Next.js. Through my coursework and personal projects, I have honed my skills in creating dynamic and responsive web applications that deliver optimal user experiences. As a team player with excellent communication skills, I am always eager to collaborate and learn from my peers. My goal is to work with a dynamic team where I can continue to develop my skills and contribute to innovative web solutions that have a positive impact on society.
